Specification sections in this package

- 09 30 00 TILING
- 09 65 13 RESILIENT BASE AND ACCESSORIES
- 09 65 40 LUXURY VINYL TILE
- 09 65 67 RESILIENT ATHLETIC FINISHES
- 09 67 00 RESINOUS FLAKE FLOORING - EPX-2
- 09 67 10 RESINOUS QUARTZ FLOORING - EPX-3 AND EPX-4

Alternates (every bidder must price both)

- Alternate A: Polished concrete in lieu of luxury vinyl tile (09 65 40)
- Alternate B: Delete resilient athletic finishes (09 65 67)

State each alternate as an ADD (positive) or DEDUCT (negative) amount from the base bid.

Provided by the GC (do not price)

- Temporary floor protection
- Final cleaning
- Dumpsters

Bid requirements

- Acknowledge Addenda 1 and 2.
- Bid validity of 60 days is required.
- A bond is required for awards over \$250,000.
- Section 09 65 40 requires moisture testing of concrete substrates per ASTM F 1869 and ASTM F 2170 before installation.
- Quantities are each bidder's own take-offs; state any exclusion in writing.
