

SUBMITTAL TRANSMITTAL

Project: RIVERSIDE HIGH SCHOOL CENTRAL KITCHEN

Submittal No.: 11 40 00-001 Revision: 0

Spec Section: 11 40 00 Foodservice Equipment

Submittal Type: Product Data

From: Example Kitchen Equipment Co.

Date: 2026-09-28

Contents: cut sheets, wiring diagrams and installation data for all scheduled equipment.

Submitted for review. Contractor to verify utility connections in field.

TABLE OF CONTENTS

ITEM 1	Walk-in cooler with remote condensing unit	KOLD-WC812		tab 1
ITEM 2	Walk-in freezer with remote condensing unit	KOLD-WF810		tab 2
ITEM 3	Reach-in refrigerator	TRL-RHT132		tab 3
ITEM 4	Convection oven	BLD-ZEPH200		tab 4
ITEM 5	Combi oven	RAT-ICP101		tab 5
ITEM 6	Tilting skillet	GRP-SKT40		tab 6
ITEM 7	Steam kettle	GRP-KET60		tab 7
ITEM 8	Fryer battery	PIT-SSH55		tab 8
ITEM 9	Griddle	VUL-948RX		tab 9
ITEM 10	Charbroiler	VUL-VCCB36		tab 10
ITEM 11	Exhaust hood	CAP-KVEW120		tab 11
ITEM 12	Hood fire suppression system	ANS-R102		tab 12
ITEM 13	Dishmachine	HOB-CL44E		tab 13
ITEM 14	Booster heater	HAT-SM40		tab 14
ITEM 15	Food waste disposer	INS-SS500		tab 15
ITEM 16	Ice machine with bin	MAN-IYT1500		tab 16
ITEM 18	Three-compartment sink	ADV-94-3-54		tab 18
ITEM 19	Pot washer	ECO-ST		tab 19
ITEM 20	Soft serve machine	XTR-500		tab 20

ITEM 1 - WALK-IN COOLER WITH REMOTE CONDENSING UNIT

Model KOLD-WC812

Quantity 1

Electrical: see condensing unit data

Options as marked

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 1

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 2

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 3

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 4

Warranty: one year parts and labor; extended compressor warranty available.

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 5

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 6

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 7

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 8

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 9

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 10

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 11

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 12

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

REMOTE CONDENSING UNIT DATA

Condensing unit: 208V 1PH 60Hz, MCA 18.2 A, MOPD 30 A

Evaporator coil: 115V 1PH, 4.1 A

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 13

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 14

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 15

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 16

Construction: type 304 stainless steel exterior and interior, coved corners.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 17

Warranty: one year parts and labor; extended compressor warranty available.

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 18

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 19

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 20

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WC812 SERIES

KOLD-WC812 - SPECIFICATION SHEET 21

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

ITEM 2 - WALK-IN FREEZER WITH REMOTE CONDENS

Model KOLD-WF810

Quantity 1

Electrical: 208V 3PH (condensing unit); 208V 1PH (evaporator)

Options as marked

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 1

Construction: type 304 stainless steel exterior and interior, coved corners.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 2

Construction: type 304 stainless steel exterior and interior, coved corners.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 3

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 4

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 5

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Construction: type 304 stainless steel exterior and interior, coved corners.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 6

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 7

Warranty: one year parts and labor; extended compressor warranty available.

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 8

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 9

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 10

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 11

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 12

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Options and accessories as marked on the order form. Specifications subject to change.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 13

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 14

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 15

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 16

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 17

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Warranty: one year parts and labor; extended compressor warranty available.

KOLD-WF810 SERIES

KOLD-WF810 - SPECIFICATION SHEET 18

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

ITEM 3 - REACH-IN REFRIGERATOR

Model TRL-RHT132

Quantity 2

Electrical: 115V 1PH

Options as marked

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 1

Construction: type 304 stainless steel exterior and interior, coved corners.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 2

Warranty: one year parts and labor; extended compressor warranty available.

Construction: type 304 stainless steel exterior and interior, coved corners.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 3

Options and accessories as marked on the order form. Specifications subject to change.

Construction: type 304 stainless steel exterior and interior, coved corners.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 4

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 5

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Warranty: one year parts and labor; extended compressor warranty available.

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 6

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 7

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Warranty: one year parts and labor; extended compressor warranty available.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 8

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 9

Construction: type 304 stainless steel exterior and interior, coved corners.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 10

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 11

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 12

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 13

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 14

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Warranty: one year parts and labor; extended compressor warranty available.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 15

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 16

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 18

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

TRL-RHT132 SERIES

TRL-RHT132 - SPECIFICATION SHEET 19

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

ITEM 4 - CONVECTION OVEN

Model BLD-ZEPH200

Quantity 1

Electrical: 208V 3PH

Options as marked

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 1

Construction: type 304 stainless steel exterior and interior, coved corners.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 2

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Options and accessories as marked on the order form. Specifications subject to change.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 3

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 4

Construction: type 304 stainless steel exterior and interior, coved corners.

Warranty: one year parts and labor; extended compressor warranty available.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 5

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Options and accessories as marked on the order form. Specifications subject to change.

Warranty: one year parts and labor; extended compressor warranty available.

Construction: type 304 stainless steel exterior and interior, coved corners.

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 6

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Construction: type 304 stainless steel exterior and interior, coved corners.

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 7

Warranty: one year parts and labor; extended compressor warranty available.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Construction: type 304 stainless steel exterior and interior, coved corners.

BLD-ZEPH200 SERIES

BLD-ZEPH200 - SPECIFICATION SHEET 8

Options and accessories as marked on the order form. Specifications subject to change.

Installation: level on adjustable feet; seal to adjacent surfaces per manufacturer.

Listings: NSF/ANSI 7 or 4 as applicable; UL listed; ENERGY STAR where noted.
